

TRIMMER STERILIZER R-TRIM

Sterilization by
water spray
with water
> 65°C

Optimized air
and energy
consumption

Optimized
interface to
insert R-TRIM
trimmers brands

Automatic start
with inductive
sensor

Main characteristics

Cleaned product	Trimmers R-TRIM
Height	280 mm
Width	270 mm
Depth	165 mm
Watertightness	IP66
Cycle duration	10s to 60s
Raw material	Stainless steel
Additional products	Trimmers R-TRIM
TERMET part number	8627
